

Welcome to B+B Weymouth. We're delighted that you and your pet have decided to stay with us! Before we get you checked in, we'd just like to inform you about our "Paws Policy"

- A £50 fully refundable pet deposit will be added to all "pet-occupied" rooms to cover any unexpected eventualities.
We hope that you understand?
- No stray humans allowed, so all doggies please ensure that you don't leave your humans unattended.
- Guide dogs are our honoured guests and therefore have free access to all areas.
- Guest lounge (only at B+B Weymouth) welcomes both humans and dogs to have breakfasts there, in case furry friends don't want to stay alone in the room.
- If your doggy gets lonely and requires a pet sitter, we will gladly put you in touch with one of pet-sitters.
- If your pet gets too excited for words, they'll probably be asked to go and get excited outside.
- We love to keep our rooms clean, so if you are staying over, we will require access to the room between breakfast and 2 PM.
- All dogs must be charming to our staff, please let them know our managers are not snacks to eat.
- Dogs are not allowed to poop in humans' homes. The same goes to B+B hotels. If they want to "go", they must be accompanied outside and their humans are, as usual, responsible for the consequential pooper scooping..

We kindly ask that you agree to these terms, on behalf of your pet as his/her guardian, by signing below

Regards,
B+B Weymouth Team
